

Guilford Public Schools 2008-2009 District Goals

Goal #1: Academic Rigor and Persistent Effort will be evident in every school as measured by the successful implementation of the Principles of Learning within a Professional Learning Community environment.

Goal #2: All students will have access to and be engaged in a guaranteed and viable curriculum through quality instruction as evidenced by Learning Walks, and all students will achieve at high levels as measured by summative, formative, and benchmark assessments.
