Guilford Public Schools is sponsoring Special Education Screenings for preschool aged children by appointment on the mornings of Wednesday, February 24, 2010 and Wednesday, March 3, 2010, at GUILFORD LAKES SCHOOL.

This screening is provided for Guilford residents to assist parents of preschoolers in monitoring the developmental growth of their children and serves as an opportunity to identify any youngster who may need Special Education and Related Services.

The assessment team consists of a school psychologist, preschool special educators and a speech/language pathologist. The screening components will include a developmental screening and a parental interview regarding the child's health history and developmental milestones. Time will also be provided for feedback to parents.

Screenings are also scheduled in September, December, and March to assist parents who have questions regarding their preschooler's language development.

These screenings are not to determine Kindergarten readiness.

Anyone interested should contact Guilford Public Schools Pupil Services at (203) 453-0128 for an appointment.
